REPUBLICAN CONVENTION.

W. S. LAUBACH AND C. E. KREISHER, NOMINATED FOR THE LEGISLATURE AND THOMAS MENSCH FOR SHERIFF.

Harrison, for Coroner, and Hagenbuch for Jury Commissioner—William H. Woodin, of Berwick, Endorsed for Congress.

The Columbia County Republican Convention assembled in the Court House Monday afternoon at two o'clock. The meeting was called to order by Chairman H. A. H'Killip, and C. E. Geyer, of Catawissa was elected president, and William Straub of Centralia and C. B. Crispin, of Berwick, secretaries. Clyde C. Yetter was appointed reading clerk.

Albert Duy, the intelligent young son of County Secretary A. W. Duy, acted as page for the convention. The roll was called, after which, upon motion the temporary organization was made permanent.

There were three named as delegates to the State Convention, Joseph H. Catterall of Berwick, J. W. Goldsworthy, and Wm. Straub of Centralia. The latter declined the honor, whereupon the other two were chosen by acclamation.

W. S. Laubach and C. E. Kreischer were named in the same manner as candidates for Legislature.

Thomas Mensch was the only aspirant for the office of Sheriff, and he too was nominated by acclimation.

S. J. Harrison was named for coroner, and E. D. Hagenbuch for jury commissioner. A resolution endorsing W. H. Woodin of Berwick for Congress; was presented and approved by the convention.

The committee appointed on resolutions made the following report:

"We most earnestly approve the true American policy of President William McKinley and his expressed purpose of maintaining the supremacy of our flag in whatever quarter of the globe it has been won by the valor of our soldiers and sailors.

"We indorse the wise, patriotic and economic administration of Governor William A. Stone. His impartial execution of all laws, and the faithfulness with which the departments are conducted merit the approval of all interested in good government.

"We commend and indorse the faithfulness with which Senator Boies Penrose has cared for the interests of the great state of Pennsylvania in the United States Senate and the assiduity with which he has pressed the right of our State to have its just and full representation in the higher legislative body, and the fervor and zeal he has displayed in urging the seating of Governor Stone's appointee, the matchless leader and eminent Statesman, Hon. Matthew Stanley Quay."

At a meeting of the County Committee, held subsequent to the Convention, H. A. McKillip was re-elected County Chairman. He was empowered to fill any vacancies that may occur on the ticket.

From the beginning, starting with the primaries on Saturday, till the close of Monday's Convention, it was a very tame, uninteresting affair. There was no opposition made to the regular organization and the followers of Quay had things all their own way.

Republican Conference.

At the Republican Congressional Conference, held at the Montour House, Danville, Saturday afternoon, Cortez H. Jennings, of Lopez, Sullivan county, was chosen presidential elector, and James C. Brown, of this town, and Col. C. M. Clement, of Sunbury, delegates to the National Convention, with A. G. Haas, of Northumberland, and H. A. M'Killip, Bloomsburg, alternates.

Resolutions, endorsing President McKinley, were adopted.

A happy event was celebrated at the residence of J. J. Brower, on Market street, at seven o'clock last evening, when Miss Lulu Cole was united in marriage to J. Howard Michael. The ceremony was performed by Rev. J. D. Smith, of the Baptist Church, in the presence of only the close relatives of the parties concerned. A wedding supper followed, after which the bride and groom departed on a tour to Philadelphia.

Married.

On Thursday, April 12, 1900 at the M. E. Parsonage, by Rev. W. M. Frysinger, Mr. Sterling Munson, of Franklin, to Miss Ida May Watkins, of Bloomsburg.

GRAND RALLY

At the Opera House to Express Sympathy for the Boers.

The citizens of this county will hold a public meeting, in the Opera House, at Bloomsburg, on Saturday evening, at 8 o'clock, to be addressed by John M. Vanderslice, Esq., of Philadelphia, and Fred T. Ikeler, Esq., of Bloomsburg.

Let every citizen who believes in the right of the people to rule, and whose sympathy goes out to the struggling Boers in their unequal struggle for liberty against an empire of 400,000,000 people, be present.

The boys should be there, in order that they may learn what free government means, and what it cost to achieve our independence from the same power that is now trying to crush two sister republics.

There never was a time in the history of our country when there was greater need for both men and boys to be aroused to the importance of keeping alive the fires of patriotism and love of freedom, to the end that "government of the people, for the people, and by the people might not perish from the earth."

The meeting will be non partisan. Judge R. R. Little has consented to preside. Turn out and make the meeting a great success. Ladies are invited to attend.

COMMITTEE OF ARRANGEMENTS.

Pleased the People.

The following complimentary lines are taken from the Shickshinny *Echo* of Friday:

"The benefit, at Miller's Hall, Saturday night, for the fire company, by Bloomsburg talent, was a very good entertainment. "Tony, the Convict," was a better play than the name implied, and was very creditably presented, all the characters being well taken. The part of "Tony" was played like a professional by Paul Harman and he was ably seconded by W. H. Coffman, as "Weary Wayside," whose portrayal of the hobo was a neat bit of acting. Mr. Robt. Grotz acted the villain's part acceptably and Miss Margaret Hendershott, as Lena, was charming, and portrayed the character in a finished manner. The troupe as a whole, compared favorably with the best that come to Shickshinny. The illustrated songs, by Mr. D. J. Tasker, was a pleasant feature, and his singing was roundly applauded."

Shickshinny Bank.

Shickshinny's new Bank organized with $25,000 capital stock and the following directors: Jesse Beadle, M. B. Hughes, F. J. Post, I. A. Miller, E. W. Garrison, G. M. Beadle, R. M. Tubbs, M. I. Low and G. M. Tustin. Jesse Beadle was elected President and R. M. Tubbs, Vice President. The Shickshinny stockholders are Jesse Beadle, E. W. Garrison, I. A. Miller, R. M. Tubbs, Geo. M. Beadle, Dr. M. B. Hughes, F. J. Post, Dr. W. L. Chapin, S. A. Bachman, M. J. Rittenhouse, A. C. Shaw, H. L. Deitrick E. S. Stackhouse, and Dr. A. G. Davison and T. W. Ruckle of Cambra. The balance of the stockholders are from Bloomsburg: G. M. Tustin, Myron I. Low, W. D. Beckley, H. A. McKillip, E. B. Tustin, F. R. Carpenter, Jas. C. Brown, and R. F. Colley.

If you want it, don't wait another day. tf

VESTRYMEN ELECTED.

At a meeting of the congregation of St. Paul's Church held on Monday evening, the following persons were elected Vestrymen to serve for the ensuing year: John G. Freeze, John R. Townsend, Geo. E. Elwell, Paul E. Wirt, Geo. S. Robbins, J. L. Dillon and J. G. Wells. A vestry meeting was held immediately afterwards and the following organization effected: Secretary, Paul E. Wirt; Treasurer, A. H. Bloom; Committees on finance, Messrs. Wirt, Townsend, Wells; on pews, Freeze, Robbins, Bloom; on buildings and grounds, Elwell, Dillon; on music, Wirt, Elwell. A vote of thanks was extended to the choir for the very excellent and inspiring music at the several services on Easter. It was ordered that a financial statement for the past year be printed, and placed in the pews next Sunday. Adjourned to meet on April 30th at 7 30 p. m. to elect deputies to the Diocesan Convention which meets at Scranton in May.

"The Monasteries of Florence."

Mr. Vincent Ravi, of Boston School of Theology, in the Congregational Church.

The audience in the Congregational church on Tuesday evening was given a literary and oratorical treat in the lecture by Mr. Vincent Ravi of the Boston school of theology on the "Monasteries of Florence."

Mr. Ravi visited those monasteries last summer, with his father, having returned to his birthplace for a short visit, also having in contemplation this lecture. His father was formerly a monk in one of the monasteries, but became a Christian minister about thirty years ago.

The speaker's descriptions of the art in these monasteries, the quaintness of the architecture, the beauty of the natural scenery about them, also their history and the noted men who have ministered in them, were cogent, logical, beautiful, oratorical and poetical. His cogency and conciseness revealed the acuteness and logic of his Scotch ancestry, and his imagination. his poetic instinct and oratorical powers revealed the warm, imaginative, poetic, Italian nature. His description of Vallombrosa, with his word pictures of the scenes which surround it, presented in his natural and yet forceful way, will compare favorably with the best things of our greatest orators.—Everett *Herald*.

Presbyterian church, Monday April 23rd, admission, a silver offering.

A Double Wedding.

Hiram Runyon, of Philadelphia, and Miss Pauline Smith, of Mainville, and F. W. Gearhart, of Altoona, and Mrs. Mary C. Farnsworth, of Bloomsburg, formed the contracting parties of a happy double nuptial event, at the Shuman Hotel, Mainville, Wednesday morning. The guests in attendance were limited to only the immediate relatives. The ceremony was performed by the Rev. J. D. Smith, of this town. The brides are grandmother and granddaughter. After a sumptuous wedding dinner had been served, and felicitations extended, the happy couples took the P. & R. train for Philadelphia, where Mr. and Mrs. Runyon will reside. Mr. and Mrs. Gearhart will take up their residence in Altoona.

An Octogenarian Dead.

Levi Cox, who is perhaps known by nearly every resident of Bloomsburg on account of his long residence here, died in the eighty-first year of his age, at his home on West Main street, Saturday evening. The surviving members of the family are a wife and two children, Miss Ada, living at home and Mrs. Norman Smith of Lime Ridge. The funeral was held Tuesday afternoon at one o'clock, conducted by Rev. Dr. Hemingway of the Presbyterian church.

The Andrews Opera Company gave a very satisfactory presentation of the opera "Carmen," last night. The leading female portion of the organization sang their parts in a pleasing manner, and displayed voices of unusual sweetness and power, especially Miss Myrta French, as "Carmen." The audience was not as large as the entertainment deserved.

A little daughter of Mr. and Mrs. E. F. Row, was seriously scalded by falling into a tub of steaming hot water on Friday. For a day or two the little one's life was despaired of, but she is greatly improved now and will recover.

A Prized Instrument

Claude M. Stauffer on Thursday purchased from T. Vandeweken, of Brussels, a genuine Michelot violin made in the year 1750. The violin bought by Mr. Stauffer some time ago was exchanged as part consideration on this one. The violin was obtained by Mr. Vandeweken from a violin collector and violinist by the name of A. Parent, in Paris. The violin is valued at six hundred dollars.—Hazleton *Sentinel*.

Mr. Stauffer having graduated from the Normal School of this town, a few years since, is well known here. He has participated in many Bloomsburg concerts, and his playing was always greatly enjoyed.

The Easter music in all the churches where special programs were arranged, was well rendered. At St. Paul's Church at the early service every seat was filled, and the music was pronounced to be one of the most pleasing services ever rendered there. The choir sang well, and Mr. DeForest J. Hummer, the organist, is entitled to much credit for the very skillful manner in which he executed the elaborate and diffcult music on the organ. At the close of the service each member of the choir was presented in the Parish House with a lovely boquet of flowers by Mr. and Mrs. Geo. S. Robbins. At the 10.30 a. m. and 7.30 p. m. services excellent sermons were preached by the Rector. Rev. D. N. Kirkby.

Miss Flora Housel, daughter of Mr. and Mrs. Foster Housel, died of consumption at the home of her parents in Milton on Friday. The deceased formerly resided in Bloomsburg and since moving away made many extended visits to relatives here. She was an estimable young lady, and her death is deeply regretted. The funeral took place on Monday.

James Reilly's Barber shop, in the room formerly used as a ladies' parlor in the Central Hotel, has been fitted up with new cases, new chairs, new oil cloth on the floor, new everything. Three chairs enable customers to be waited on promptly. Chris Reilly is the assistant to his father, and he is fast acquiring the skill of his sire in the tonsorial art.

Frank Eyer has severed his connection with the Bloomsburg Store Company and has commenced business for himself at his father's stand on West Main street. The vacancy at the Store Company has been filled by Howard Michael who for some time past has been an employee of the Hawley—Slate Furniture Factory.

John Tooley, Sr., died at his home in Danville on Monday after a lingering illness. He was born in Ireland June 25, 1832 and imigrated to America in 1852. He settled in Danville a few years later and has lived there ever since. A wife, five daughters and three sons survive. One of the latter is Lawrence Tooley of this town.

Extensive improvements have been made, and are still going on at the Central Hotel, by the new landlord C. B. Ent. Painting, papering, new furnitnre &c., are among the improvements. Mr. Ent is doing everything in his power to please the traveling public, and his hotel will no doubt be classed among the best in this section.

J. G. Swank, ex-county commissioner met with a very painful accident a few days ago whereby the thumb nail of his left hand was torn off. He was assisting a neighbor in moving and his hand was caught between a heavy barrel and the side board of the wagon. The pain attendant upon an injury of this kind is excruciating.

William Gray left on Wednesday for Dubois, to accept a position in the car works at that place. He secured the situation through the recommendations given him by two other Bloomsburg boys, who have been employed there for several months past.

George H. Welliver was unable to purchase any horses at Buffalo this week, consequently the sale advertised for April 20th has been postponed. Horse flesh has taken a big upward stride during the past few weeks.

Springs.

Before the advance in prices we placed an order for springs. This was nearly a year ago. They are all in—150 of them—and we are willing to give you the benefit of our early buying. The sizes are 4x4 ft., and 4x6 ft, full length. In fact, size to fit any bed.

Our special leader is a full-sized spring, woven wire top, $2.20 It would be cheap at $2.75. We can give you a coiled spring, full size, for $2.50. Higher prices for better goods.

Mattresses.

We are sorry to say that we have a larger stock of mattresses than any other store in town.

We can hardly understand how it was done. We placed an order for 150 and received 300. Manufacturer says we gave an order for this many, but our memorandum showed only 150. However, we kept them at a price. From $2.50 to $10.00 the prices run, and if you need a mattress come and make us an offer. The stock must go down to normal.

We wish we could talk to you personally, right in our rooms, with the furniture before you. We could show you wherein is the difference between our stock and that quoted at lower prices. We aim first at quality. We don't want the stuff to fall apart within the first month after you get it.

We carry furniture for every room—from the kitchen chair, at 50c. apiece, to a dining room table at $30. Also, all between.

Furniture.

Here are a few things we want to close out:

DINERS.—They were $8. We will sell what we have of them for $6 a set.

We have a heavy box diner, which we sold regularly for $14.00 the set. Just a few left, and they will go for $9.00.

We have a full-sized white enamel bed, which we have been selling for $8.00. We will sell a dozen of them at $6.50 apiece. And you know white beds are white beds in these days of high prices.

CURRENT COMMENT.

Notes and Comments, Political and Otherwise, on Matters of Public Interest.

By Andrew J. Palm.

We must stand with the president, is the cry of the jingo statesmen who fear the effect that a war of subjugation will have on the public mind. Those who attempt to do this will be kept hopping about lively to find enough standing places. McKinley has the reputation of being the greatest jumping jack that has ever rattled around in the seat of Washington, Jefferson, Jackson and Lincoln. He has no principles that he is not willing to trim so as to catch the breeze of public opinion as recognized by Marcus Aurelius Hanna.

Bishop Potter, who recently visited the Philippines to learn what he could of the natives and the island, among other things describes a visit he made to a factory in Manila, where nearly 500 Filipino boys and girls were weaving cloth. The overseer told him they had in six weeks learned to work the looms, while it would have taken Irish and Scotch children as many months to attain the same degree of proficiency. Yet Bishop Potter and his fellow imperialists have the impudence to declare that the parents of these boys and girls are not fit for self government, the same plea made by the royalists and tories in 1778 when our forefathers were struggling for their independence.

The large number of suicides reported among the American soldiers in the Philippines is evidence that the task undertaken by the imperialistic Mr. McKinley is anything but pleasant to those who must do the murdering and pillaging necessary to subdue the liberty loving Filipinos. As many as three suicides have been reported in a single week, and it is said that nearly 500 have gone insane. Those who are responsible for the war in the Philippines, those who agreed to pay Spain $20,000,000 for the privilege of completing the butchery and destruction she had begun, are the fellows who should be compelled to shoulder arms and expose their well fed bodies in the swamps of Luzon. If McKinley and his coterie of imperialists who declare that they and God are doing a noble work were called upon to chase Filipinos or be chased by Filipinos, the war would come to a close instanter. If the time ever comes when men will stand on their rights and refuse to become tools to shoot down their fellows at the command of some so-called superior, war will forever cease, for the men who make wars and profit by them never fight its battles.

The Quay case drags its weary way through the senate, and will be sidetracked if excuses enough can framed for postponing it from time to time until the end of the session. There are too many senators who lack the moral courage to vote as their judgment, their conscience, their constituents and their constitution dictate, if it come to a point where they must declare either for Quayism or against it. They dislike to stultify themselves if they can avoid it, and hence would like to see the case go over without being compelled to take a stand to upset the precedents of a century. There are some Democrats who, acting on the principle that birds of a feather are expected to flock together, will vote to seat Quay, corrupt as he is known to be. Several are suspected of having come under the influence of that potent argument on which Quay has always depended to help him out of his difficulties, criminal and otherwise. It is refreshing to find a senator who looks at matters from a sensible standpoint and proposes to stand by his ideas of right. Senator Teller declares it is indecent to vote one day to deny a man a seat and the next give admission to another on the same credentials. He thinks that after all the precedents of a century on this question it ought to be regarded as settled. What respect, he asks, can the country have for a body that has no respect for itself?

A year ago lumber was $12 a 1,000 feet; now it is $18. The increase in the cost of production is nothing; the increase in profit to the lumber trust is 50 per cent. The increase in cost to the house builder is 50 per cent. Such is the McKinley plan for encouraging people to build and own houses. —Pennsylvania Argus.

After Marriage

They are going to be together just as much as before; going to ride the wheel, take little pleasure jaunts, etc., enjoying everything together. Isn't that what many a young couple promise each other? And yet, how very soon the wife begins to say "No, I don't think I care to go. You go alone, dear." Young women don't reckon on the great physical changes which follow marriage. How can they when they are allowed to grow up in entire ignorance of vital physiological facts? They feel languid, weak and nervous. Sometimes there is headache and backache. The pulse no more leaps in answer to the thought of a spin on the wheel. Women who have used Dr. Pierce's Favorite Prescription, know how promptly the languor, headache, backache, nervousness and weakness are cured by this medicine. Many husbands write in gratitude to Dr. Pierce for the medicine which gives them back the wife's companionship, as it gives her back her health.

"All praise is due to you for your wonderful 'Favorite Prescription,'" writes Mr. John W. Coffman, of Killsburg, Casey Co., Ky. "My wife suffered with female irregularity; was confined to bed every three weeks. After using two bottles of Dr. Pierce's Favorite Prescription she was cured, and has not suffered any derangement since. Your 'Favorite Prescription' is a boon to delicate women."

There is no alcohol in "Favorite Prescription," and it is entirely free from opium, cocaine and all other narcotics.

Crowds Throng the House Galleries When Congressman Littlefield Is Slated for a Speech.

Rarely does a congressman ascend to a prominent position before the people of the country as rapidly as the newest member of the delegation from Maine, Charles E. Littlefield—the late Nelson Dingley's successor. It was seen when Mr. Littlefield first appeared on the floor of the house that he was large and strong physically, and now, after his speeches on the question of seating Brigham H. Roberts and imposing a tax on Porto Rico's commerce with the states, it is observed that Mr.

CHARLES E. LITTLEFIELD.
(Congressman Who Has Achieved Fame Within Three Months.)

Littlefield is a large, strong man mentally.

Mr. Littlefield, who is 49, began at an early age to provide himself with money by his own toil. At 13 he went haying, and thus earned his first dollar laboriously. Later he became a carpenter, and he was earning four dollars a day when he decided to study law. His professional education was based on a common school education—all he ever got. As a lawyer he worked 14 or 15 hours every day but Sunday, and for 15 years he seldom reached home in the evening before the rest of his family were asleep. Sundays he usually went with his wife to a Congregational church in his home town of Rockland. He became a state representative, speaker of the Maine house, attorney general of the state and Mr. Dingley's successor at Washington.

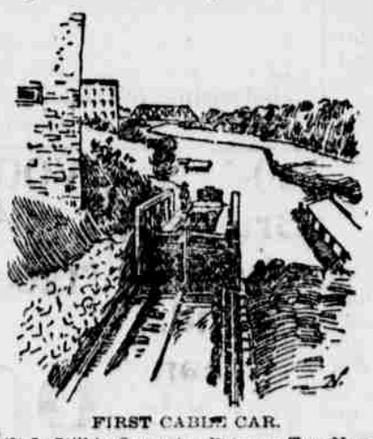
Naturally, says the Chicago Record, Mr. Littlefield thinks that the chief secret of his success is work, but he admits that his working day of 14 hours was made possible by health and power of endurance. He has been a total abstainer all his life, and he "chews" only the spruce gum of his native state. He says he has found more trouble in saving and investing money well than in earning it. He has a higher estimate of married men than of bachelors, and his sympathy goes out to the lawyer in congress who is trying to preserve his practice and at the same time do his full duty to his constituents.

THE FIRST CABLE CAR.

It Was Built Fifty Years Ago and Is Still in Operation Between Two New Jersey Towns.

Running from Phillipsburg, N. J., to Newark, N. J., there is a canal that is in many respects the most remarkable in existence. It is 60 miles long, and was in operation in New Jersey before a railroad existed in the state. It runs in many cases side by side with the Lackawanna railroad, and furnishes the most striking example of the difference between the old-time and modern methods of freight transportation that can be seen.

Its most remarkable feature is that in place of the lock system in use on



FIRST CABLE CAR.
(It Is Still in Operation Between Two New Jersey Towns.)

canals the boats are drawn up and down elevations on great cars with high sides and open ends on a track 18 feet wide. These are the original cable cars. The principle by which they are operated, the endless cable, is exactly the same as that which was utilized for operating cable cars in cities. This method of transportation has been in use on the Morris canal for half a century, and antedates the introduction of cable cars by at least 35 years. The illustration was taken on the canal from Boonton to Montville, N. J., where the unusual features of the canal are most in evidence.

An interesting feature in connection with the Morris canal is that this is likely to be the last year of its operation, as an effort will be made at the next session of the New Jersey legislature to secure it as a means of furnishing Jersey City with additional water supply.

THE SUDANESE FEVER.

It Makes Those It Attacks "See Red" and Drives Them Into Violent Insanity.

Much attention has been called to the number of men in the army serving in the Philippines who have gone insane, says a New York paper. The government has sent a special commission out there to investigate the matter, and there has been talk of a mysterious disease called the "Sudanese fever."

It is believed by some that this disease is peculiar to East Indian and African tropics; that it was this which caused Dr. Peters to get into trouble for killing Africans, and made the

MALAY RUNNING AMUCK.
(Terrible Effects of the Disease Known as Sudanese Fever.)

French officers in the interior of Africa recently slay other officers sent to their relief, is one theory. Everybody has heard of the Malay who runs amuck and, frenzied, kills right and left until he himself is killed. The word "amuck" is a corruption of the Javanese word "amoak," to kill. There seems to be no doubt that the Malay occasionally goes crazy through an overindulgence in opium or hasheesh, and, springing from his "shack," runs naked through the streets of his village, killing all whom he may meet.

When in a Malay village the cry "amuck" is raised, it is like the cry of "mad dog!" in an American village, and the populace turn out with long bamboo spears to kill the man as soon as they can. But the "Sudanese fever," if it exists, is another thing apparently. It may be that the disease which has afflicted white men in the Philippines and in equatorial Africa is only a variation of apoplexy, brought on by indulgence in heating and stimulating foods.

The London Lancet recently had something about the alleged disease. People who had been afflicted with it and had recovered said that they had a sudden sensation of a desire to kill, and that they "saw red." A sudden afflux of blood to the head and the bursting of a blood vessel would produce insanity or coma. In northern climes it more usually results in coma; in the tropics it seems to result in insanity.

All the soldiers of our army in the Philippines who have been sent back as insane have been violent. As a matter of fact, only 37 men who served in the Philippines went crazy and were brought back to the United States. Of these 11 recovered and were discharged.

This "seeing red" seems to be a peculiarity of the Asiatic when he is excited violently. The Sikhs and the Gourkhas, the best fighters in the native Indian army, describe their feeling when in the charge in the frenzy of battle as "seeing red." It is probably due to an afflux of blood to the head, which congests the small veins of the eyeball.

"Cleanliness is next to godliness." Dirt and depravity go hand in hand. This is just as true of the inside of the body as the outside. Constipation clogs the body and clouds the mind. Constipation means that corruption is breeding in the body, poisoning the blood with its foul emanations, befogging the brain with its tainted exhalations. Constipation is the beginning of more diseases perhaps, than any other single disorder. The consequences of constipation are legion. Headache, pain in the side, shortness of breath, undue fullness after eating, coldness of the extremities, nervousness, indecision, lassitude, dizziness, sallowness, flatulence, and a score of other ailments are directly caused by constipation. Cure constipation and you cure its consequences. The quickest cure of this evil is obtained by the use of Dr. Pierce's Pleasant Pellets. They are small in size but wonderful in result. They cure permanently. They contain no injurious ingredients. The use of them does not beget the "pill habit." Ask your druggist for them.

A remedy for nasal catarrh which is drying and exciting to the diseased membrane should not be used. What is needed is that which is cleansing, soothing, protecting and healing. Such a remedy is Ely's Cream Balm. Price 50 cents at druggists, or it will be mailed by Ely Brothers, 56 Warren St., New York. The Balm when placed into the nostrils, spreads over the membrane and is absorbed. A cold in the head vanishes quickly.

IN HEART DISEASE IT WORKS LIKE MAGIC.—"For years my greatest enemy was organic heart disease. From uneasiness and palpitation it developed into abnormal action, thumping, fluttering and choking sensations. Dr. Agnew's Cure for the Heart gave instant relief, and the bad symptoms have entirely disappeared. It is a wonder worker, for my case was chronic. Rev. L. S. Dana, Pittsburg, Pa. 46

There are fifty million herd of cattle in the United States, of which number from fifteen to twenty million are dairy cows. TRY GRAIN-O! TRY GRAIN-O!—Ask your grocer to-day to show you a package of GRAIN-O, the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. "A LUMP LIKE LEAD."—How often one hears the dyspeptic complain of this sensation in the stomach. Through neglect or overwork the digestive organs are weakened and this symptom is the common sensation after eating. The pineapple contains a large percentage of vegetable pepsin, and is a potent aid to digestion. This discovery has given to the world nature's delightful and positive cure, Dr. Von Stan's Pineapple Tablets. 18 in a box, 10c. 50

Edwin O. Wood, of Michigan, Secretary of the Tamworth Swine Breeders' Association, knows a good thing when he sees it. Writing the other day of the Biggle Swine Book, the latest addition to the Biggle Books, he says: "Without exageration or fulsome praise it is the best book which has come to my notice. I have carried it in my pocket two weeks, reading it in leisure moments, and following its advice has already saved me, as I believe, fifty dollars. This is big returns on an investment of 50 cents, which the publishers, Wilmer Atkinson Co., Philadelphia, Pa., ask for the book.

Centralia People Are Aroused Over Lawlessness.

Court Blamed for Increase of Crime.

Up to the present time there has been no definite clue that will lead to the conviction of the parties who set fire to Dyke's barn, and Davis' block of houses at Centralia last Friday night. Mr. Dyke and Mr. Davis both offered a reward, aggregating $300 for such evidence as will lead to the arrest and conviction of the guilty party.

"We know, or feel sure that we know, who the guilty parties are," said one of Centralia's leading men to a man from the Ashland *Advocate* today, "but we have not got the evidence that will convict them. We expect to get it, however, and if we do you can depend upon it that Mr. Dyke, and Mr. Davis can get all the moral and financial support that they may need to push the prosecution to the bitter end.

"What we need, however, at Centralia" he continued, "is a vigilance committee. It should be organized at once, and then there are about a dozen fellows in our town who should be given twenty four hours to quit the place, and if they don't go they should be strung up to the nearest lamp post. I know that this is making it pretty strong, but the case is a desperate one, and requires a desperate remedy. We can point out about a dozen fellows who are responsible for nearly all the lawlessness in our town, and which has given us the reputation of being one of the worst communities in the State, and not as I must admit, without reason. The thing is going from bad to worse every day, and there is no telling where it is going to stop unless something on the line that I have indicated is done.

"It is positively unsafe now for people to venture out after nightfall, as they not only run the risk of being insulted, but beaten and robbed as well. Strangers are almost afraid to come into our town and you seldom see any of them here after nightfall.

Some of these young thugs—and they are nearly all young men—do not hesitate to rob and steal in broad daylight. and their special prey is poor and inoffensive foreigners, whom they pick quarrels with for the mere fun of beating and robbing them.

"I could detail enough petty thieving and minor crimes to fill your paper and would not have to rack my brain very hard to do it. Only last week it was found that thieves had broken open an empty house owned by the Lehigh Valley Coal Company, and stole everything portable in the place, even to the doors and window sash. Another case was that of a woman going home from the store with a basket of groceries. She was stopped by two young rascals who took her goods,and she narrowly escaped bodily injury because of her protests. It is a frequent occurence to hear of men and women having their purses snatched out of their hands while making change at the stage—trolley transfer stations, and to have their wages stolen from them when coming home from the collery office.

"You remember that it is only a couple of years ago since a man was shot dead in his saloon right in the heart of our town, and in the most heartless and cold blooded manner. I doubt whether there is another town in the state where that could have occurred and the murderer gone unpunished, yet in this case he walked coolly up the street with the smoking revolver in his hand and no one made an attempt to arrest him. He was around this vicinity for days after the murder, but no one molested him and he finally disappeared. I am told that he has been seen in this neighborhood recently, but it is doubtful whether he will ever be brought to justice.

"The trouble is to a great extent due to the laxity of the courts of our county. Law is nothing more than a farce and punishment a fake, with many of those who are sent to the Bloomsburg jail. In fact we have many young criminals here who have served time in our county jail, and came home telling the most interesting stories of the good times that they had during their "vacation." Political influence is the key note to this condition of affairs, and practically puts a premium on crime. It is to this fact that much of the lawlessness that is giving Centralia so unenviable a reputation is due.

"The right thinking people are becoming aroused, and there is a disposition to remedy existing evils. I cannot say just how it is going to be done, but it cannot continue much longer. The only thing to do is to wait and watch for coming events. The people I allude to are worked up to a high pitch, and are ready to meet fire with fire."—Ashland *Advocate*.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure to get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

New Counterfit Bills.

Notice is being sent out from Washington of two new counterfeit bills. The first is a $5 silver certificate of the series of 1896, check letter "D," plate thirty, Bruce register, Roberts treasurer. The bill is a deceptive one, printed from photo etched plates on two pieces of paper, and red and blue silk threads are distributed between them. The work is blurred and the small seal is darker than the genuine. The back of the note is also darker. The other bill is a $1 silver certificate of the series of 1899, check letter, "C," Lyons register, Roberts treasurer It is printed on rough photo-etched paper, the seal and the numbers are lighter, and the lathe work and portraits are blurred. The back of the note is dirty green and the lathe work is very tough.

Can't Have the Job.

The director of the census has ordered that no assessor, tax collector or justice of the peace shall be appointed as an enumerator. He has also directed that the names of the enumerators be withheld from publication. This is done for the protection of the enumerators from the flood of advertisements with which they would be afflicted if their names should be made public. They would be solicited to become agent for all kinds of patent medicines, farming implements, etc., and this would interfere with their work.

Pennsylvania's Silk Industry.

Pennsylvania leads all the other states in the number of her silk factories. Her growth in this direction is something marvelous. During 1897 and 1898 silk mills were established in twenty-nine cities and towns of the state, and in 1899 thirteen more, bringing the total up to sixty of these mills scattered among the towns of the state.

Contracts Over Telephones Valid.

A contract made over a telephone is valid in law. This was demonstrated in a suit involving $8,000, heard before the Fayette county court. The telephone order had been taken down in writing, and the court ruled that the 'phone is a legitimate medium of trade.

Poetic justice continues to get in a good blow occasionally. A St. Louis barber was stricken dumb the other day just after telling a long-suffering customer that he had a sure cure for baldness.

Moving day has passed and the kitchen stove begins to settle into place, but house-cleaning looms up horrible as a welsh rarebit nightmare.

France has decided she does not want war with England. Luckily for France, she still enjoys occasional lapses into sanity.

Something is wrong in the effete and dreamy East. Japan has allowed two weeks to pass without sassing the Russian bear.

Journalistic Innocence.

The innocent saffron journals have been imposed upon once more. The New York yellow sheets lay claim to immense stories of enterprise, but all the time they display a ready gullibility that must be a sore temptation for Gotham goldbrickers.

On April 1st, *Il Progresso Italo-Americano* printed an alleged dispatch hot from the banks of the ancient Tiber, telling about the declaration of an Italian republic and the sudden and disordered flight of King Humbert to Corsica,—no doubt to consult the shade of one N. Bonaparte, who once found himself in somewhat similar trying circumstances. The lingo of Italy seems to be beyond the ken of some of the Enterprising Ones, but two papers bit promptly at this tempting bait, and next morning each of them printed real nice halftones of the unfortunate ex-potentate, and in cablegrams from "special Roman correspondents," told under eight-inch headlines, the sad tale of another king out of a job.

But the rude man who publishes *Il Progresso* spoiled it all the next day. He expressed deep surprise that the story had not turned out to be true, because it was merely a first of April offering to his readers, and he hoped that his enterprising and honest contemporaries who had so readily swallowed his early spring joke, would not suffer from indigestion.

Those careless "special Roman correspondents" should be sharply looked after, especially around the first of April.

An Interesting Case.

An interesting divorce case will come before one of the courts of Philadelphia in the near future. The principals are deaf mutes, and the wife charges that the husband called her vile names with his fingers. Fifteen witnesses, all deaf mutes, will appear on the stand to certify. A tedious trial is expected. The unhappy couple who have found marriage a failure, have been married ten years and have done their quarreling with their fingers.

ABOUT THE WILY BOER.

According to This Writer to Purloin Seems to Be Second Nature to Him.

I spent quite two years going about from farm to farm with wagon loads of miscellaneous goods, bartering them for ostrich feathers, ivory, hides, wool, live stock or whatever I could get, says George Lacy in the North American Review. I scarcely ever exposed samples of my goods at any farm without attempts being made to purloin articles that could be readily concealed. All took part in this, old and young, male and female; and constant watch had to be kept. I once detected a young girl, the daughter of a Boer who was then and long afterward a prominent member of the Free State volksraad, trying to secure a case of watches under her apron.

No shame is evinced on detection; the matter is treated as a good subject for laughter. In purchasing horses and cattle the greatest care had to be exercised. No London horse-coper could compete with the average Boer in the art of passing off broken-winded horses or sand-cracked trek oxen as sound animals. Dishonesty extends further still than to matters of this kind.

A Boer whose name is well known to the world, many years ago, when acting as president of a land commission for apportioning out farms in the Leydenberg district, "did" my partner out of 36,000 acres of land by as barefaced a piece of knavery as could be conceived.

The Montgomery County Commissioners have refunded a debt of $77,000 with bonds at 3½ per cent. interest, payable in twenty years, but with the right to liquidate them within ten. A bonus of over $2,000 was paid the county by the new bondholders. Heretofore the Montgomery taxpayers have paid 4 per cent. on their funded liability.

Dewey's announcement that he is a candidate for the Presidency did not create the sensation that was expected. The dominant sentiment is one of regret that he has been led into such a blunder. The platform on which he will stand will be announced soon, but what party he can get to adopt his platform and nominate him, does not yet appear.

The selection of John G. McHenry as a delegate to the Democratic National Convention to be held in Kansas City on July 4th, was a compliment to Columbia county, and an honor to the district. Mr. McHenry's valuable services to the party as county chairman, and in many other ways, entitled him to recognition. He has devoted himself zealously and unselfishly to the advancement of Democratic principles, and as one of Pennsylvania's representative men in the National council, the party feels assured that whatever his action may be, it will be right.

Notes From the Pennsylvania Experiment Station.

Gravity or Aquatic Cream Separators.

Information has been received at the Experiment Station that in many parts of the State where small dairies are kept, agents are selling the above named "separators" with a claim that they are equal in efficiency to centrifugal separators. The claim made for these devises is that by diluting the milk in the separator with from one-third to one-fourth of its bulk of water the viscosity is decreased and the fat globules consequently rise easily and completely to the surface.

This use of dilution is not new, it having been practiced at least ten years ago, and however plausible the claims made for it may appear, they are not confirmed by actual experiment.

In some trials made at the Cornell Experiment Station with three of these "separators," handled according to instructions sent with them, the following results were obtained on mixed herd milk compared with those obtained with a Cooley creamer without dilution:

Average percentage of fat in skim milk (corrected for dilution). *Many cows nearly dry. Six trials.*

Wheeler's Gravity Separator	0.94
Hunt's Imp Ventilated Cream Seperator	1.01
Cooley Creamer	1.01

Cows comparatively fresh. Nine trials.

Wheeler's Gravity Separator	0.79
Hunts Imp. Ventilated Cream Separator	0.93
Cooley Creamer	0.53

Average of the fifteen trials.

Wheeler's Gravity Separator	0.86
Hunt's Imp. Ventilated Cream Separator	0.72

The same investigator also found that the average percentage of fat found on forty different farms using shallow pans was 0.39 per cent. and on thirty farms using deep setting 0.30 per cent.

These results show that the aquatic separators do not approach the centrifugal separators in efficiency and further that they are more efficient than shallow plans or deep setting only in the case of "stripper" milk. The only conclusion to be drawn is that a fraud is being perpetrated upon the farmer when he is induced to buy a "separator" of this kiud with the expectation that he is getting something that will separate his cream as closely as a centrifugal separator, or any closer than the crock or deep setting system. Furthermore, it should be borne in mind that by the dilution of the whole milk the skim milk is very materially reduced in feeding value, which is a matter of no small consideration on most farms in the Commonwealth.

It is to be hoped that Pennsylvania farmers will be slow in buying anything that possesses so few advantages as the "Aquatic Separator."

The annual reports and quarterly bulletins of this station will be sent, free of charge, on application and inquries on agricultural subjects answered as far as possible.

From our Regular Correspondent.

Washington, April 16, 1900.

Senator Jones, chairman of the Democratic National Committee, who has just returned from New York, redicules the story that the anti-Bryan democrats, who are behind Dewey's candidacy, would get a Dewey delegation sent from New York to the Kansas City convention. He says that Dewey's candidacy will cut no figure at all in connection with the democratic nomination for President; that Col. Bryan will be nominated by acclamation. And his opinion is shared by practically all the democrats in both branches of Congres. It is said, although your correspondent does not vouch for it, that Dewey's backers have a lot of money to use in buying the support of country democratic papers, in order to try to make it appear that there is a strong democratic sentiment in favor of his nomination. There is one draw-back to this scheme that will kill it. The country democratic editors, although mostly poor men, are not for sale. In fact, the country editors of this country have a record for incorruptibility that any class of men might well be proud of. They are constantly imposed upon, and give more for nothing than any set of men on earth; but they very rarely sell themselves.

Secretary Gage having shown by the figures sent to the House, in answer to a resolution, that the war taxes can be reduced at least $80,000,000 a year without embarrassing the government, the democratic leaders intend to try to make the republicans tell why they will not agree to make the reduction at this session.

The democrats of the House made a good fight against the Porto Rico bill, but as they could not prevent republicans swallowing their publicly announced convictions they lacked a few votes and could not defeat it. The abomination has been signed by Mr. McKinley and the responsibility of the republican party for it is now complete.

The action of the Senate Committee on Elections in deciding by a unanimous vote that Senator Clark, of Montana, was not entitled to the seat he holds, is considered more of a condemnation of Montana political methods than of Mr. Clark personally. Senator Pettus spoke the thoughts of many of his colleagues when he said: I have more respect for Mr. Clark than I have for those who have been hounding him. I do not think the use of $100,000 or more in electing Mr. Clark was warranted, but at the same time I have no doubt that Mr. Daly will spend at least $125,000 in prosecuting the case. I want to say, also, that I do not believe Mr. Clark was personally cognizant of the manner in which the money was used." Mr. Clark says he intends to get vindicated, but that is all he will say at this time. There is little or no doubt that the Senate will endorse the report of the committee, if Mr. Clark's resignation does not make a vote unnecessary. Had the report been to expel Mr. Clark, a two-third vote would have been required to adopt it, but as it simply declares him not entitled to a seat a majority vote will adopt it. There is a possibility that Mr. Clark may forestall action by resigning and seeking a reelection.

Representative Catchings, of Miss., is one of the democrats who thinks that the ticket may be Bryan and Dewey. Speaking of that probability he said: "I feel sure that Dewey would take the Vice Presidential nomination, and think that is what he is working for. He certainly must appreciate the fact that he cannot get the nomination for President from Bryan, whose selection is absolutely assured. At present no one is named for second place who would command as many votes as Dewey, and, in fact, no one is suggested whose name is universally accepted. Bryan and Dewey can defeat Mr. McKinley without any question."

Representativo Talbert, of S. C., has a habit of saying pertinent things which are sometimes irreverent. For instance, when Representative Steele, of Ind., who had boasted of being a farmer, said, in answer to a qudstion by Representative Richardson, of Tenn., that he raised "corn and wheat, cattle and hops," Mr. Talbert threw the House into laughter by adding: "The gentleman will also raise hell in Indiana."

Senator-elect Blackburn sizes up the political outlook thusly: "In my Congressional experience of 25 years I have never known a Congress in the control of either party that made as many political blunders. If we can't wipe out the republicans in November on the blunders made thus far by the Fifty-sixth Congress we ought to go out of business. They have made up the issues of imperialism, militarism and trusts exactly to our liking. Indeed, if they had deliberately started in to make a good job of it for us they could not have done better. Having these facts in mind I feel certain that the republican managers will hasten the close of the session, and welcome the day when they can breath easy again so far as Congress is concerned. For this season I do not believe any effort will be made to force the ship subsidy bill through. The republicans are not looking for more trouble, unless they have gone crazy; and I don't believe they have."

SCOTT'S EMULSION

is a food medicine for the baby that is thin and not well nourished and for the mother whose milk does not nourish the baby.

It is equally good for the boy or girl who is thin and pale and not well nourished by their food; also for the anæmic or consumptive adult that is losing flesh and strength.

In fact, for all conditions of wasting, it is the food medicine that will nourish and build up the body and give new life and energy when all other means fail.

Should be taken in summer as well as winter.

The second annual ball of the Good Will Fire Company held in the Town Hall Monday evening passed off in a way that reflects favorably on those who had the affair in charge. The Hall was beautifully and artistically decorated wite flags and bunting. With the walls draped with the national colors and the dancers gliding over the floor to the music furnished by Breon's Orchestra, the sight was a very pretty one. The attendance was not as large as it should have been. The show at the Opera House served as a counter-attraction and kept away at least a few young people who would otherwise have patronized the dance, and then the rain came down in torrents which also had some effect on the crowd. Considering what the boys had to contend with they did very well. It was indeed a nicely conducted affair. The company made some money but they ought to have made more.

As extensive improvements will soon be made on the Union church of Orangeville, the committee on repairs offers the following articles for sale: 11 sets of window sash, each window contains 28 lights 10x14, at $1.00 per window. 12 stationary outside blinds, 3½ feet x8¾ feet, with movable slats, at 50 cents each. 2 stationary outside blinds, 2¾ feet x 8½ feet with movable slats, at 50 cents each. 12 sets of old green inside blinds with wooden slats hung on tape and adjustible with cords, at 50 cents each. The last named article can be had at any time, but the stationary blinds and window sash cannot be had until the new windows are placed in the church, which will be in one or two months. Parties wishing any of the foregoing articles would do well to engage them at once from Mr. Amos Neyhard who was appointed to superintend their sale. A. HOUTZ,
Secretary of Committee on Repairs.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root,** the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

BOER LAAGERS.

Camp Defenses Formed from Wagons Placed Axle to Axle with Poles Outward.

In South Africa, whenever travelers "outspan" for the night, they invariably form the wagons into a defensive work called a laager. Provided there are enough wagons, this is either square or oblong, the latter shape being preferred. When each ox is allowed 36 square feet the smallest laager that will hold the oxen is that formed by 60 wagons. These are formed in single rank in a hollow square, touching, and with their poles outward. This renders the improvised protection easily removed when the order to "inspan" is given. Each wheel should be locked and fastened securely to its neighbor, to prevent an enemy from dragging out one of the wagons and thus gaining access to the square. Every human being and animal must be within the inclosure before dark, or they may run serious risk from being fired upon by their own friends. If time permits a shelter trench should be dug all around the laager, so that, with men lying in them, the others posted on the wagons, a double tier of infantry fire may be maintained.

Modern Pills.—The day of powerful drastic pills is past, and everyone who is troubled with torpidity of the liver, constipation, headache or indigestion, may well be thankful that it is. Every modern family medicine chest should contain a supply of Hood's Pills, the modern cathartic. While gentle and mild in action, they are thoroughly efficient and cure biliousness, indigestion, sick headache and other troubles due to a deranged condition of the stomach, liver or bowels.

GIVING A MAN A CHANCE.

It Sometimes Proves to Be the Making of Him, as in This Instance.

A commanding officer who has studied human nature, he states, will occasionally make a brilliant hit when he gives a man what is called a "chance," says the Quiver. The following illustrative case was told to me by the colonel who tried the experiment. One day, when out for a walk, he met a man of his regiment who was only too well known to him on account of his frequent appearance in the orderly room.

My friend stopped him and said: "You're a fine man, six feet three in height, and yet don't you think that you are making a precious ass of yourself with 36 'drunks' in your defaulter sheet? Suppose, now, that I were to put a lance corporal's stripe on your arm to-morrow; how would it be?"

The man was so surprised and delighted that he took the total abstinence pledge and never drank any more intoxicating liquor. Four years afterward he married and the colonel attended the marriage feast. The bridegroom took his commanding officer aside and said to him, as he pointed to the different kinds of liquor that were on the table: "You see all that, sir? Well, I have not tasted a drop even to-day, and won't, for if I did I must get drunk."

IF YOU ARE IN DOUBT

Whether you have kidney or bladder disease, just put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment, or a milky, cloudy appearance, if it is ropy or stringy, pale or discolored, your kidneys or bladder are sick

Other serious symptoms are pain in the back, frequent desire to urinate, especially at night, a burning, scalding pain in passing urine, or when your urine stains linen.

The one sure cure for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation, is Dr. David Kennedy's Favorite Remedy. It has cured in many cases where all else failed, and is sold at all drug stores for $1.00 for a large bottle, or six bottles for $5.00.

By a special arrangement with the manufacturers, we offer our readers the opportunity of getting a trial bottle of this invaluable remedy absolutely free, which will be sent postpaid to anyone who will send their address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention the COLUMBIAN.

The publisher of this paper guarantees the genuineness of this liberal offer.

Fifteen years experience. Satisfaction guaranteed. Best returns of any sale criers in this section of the State. Write for terms and dates. ver disappoint our patrons. 1-5

Dr. I. W. Willitts has moved his office to the second floor of the Dentler building.

The regular monthly meeting of the Winona Fire Company will be held at the Town Hall, toworrow evening.

"Max" Chamberlain will play base ball the coming season with the Norwich, Conn. team, of the New England League.

Mrs. Samuel Workheiser, of Danville, formerly Miss Dorcas Hutchins of Mifflinville, died unexpectedly on Sunday. She was aged nearly sixty years.

Mr. John R. Townsend has been appointed by the R. E. Grand Commander, James. B. Youngson, as an aide to the Commander of the first Division of the parade and review of Knights Templar to be held in Wilkes-Barre on May 22nd.

Rev. H. A. Tucker, D. D., of Harrisburg will address the men's meeting in the Y. M. C. A. building next Sunday afternoon at 2:30 o'clock. A cordial invitation is extended to every man in Bloomsburg to come out and hear him. The male choir will sing.

Harry R. Stees was admitted to practice at the several courts of this county on Saturday. He is a wide-a-wake young man, of a pleasing personality, and deserves to prosper. He has our best wishes for success. He will open an office in the Ent building as soon as that structure is completed.

The first quarterly conference for Rohrsburg charge will be held in the Rohrsburg church at 1:30 p. m., Monday, April 23 1900. There is a special request that all official members be present to transact important business.

A large catch of that species of the finny tribe, known as trout, reported thus far this season was made by Wesley Knorr and H. O. Wirt. After angling for a day and a half in Painter Run, they returned Wednesday with nearly five hundred, varying in length from three to eleven inches. This is a record hard to beat.

Cheaper Fares on Lackawanna.

It is the intention of the Lackawanna Railroad, as soon as the tariffs can be prepared and distributed, to sell round trip tickets between all stations except between Buffalo and New York and intermediate stations affected. These round trip fares will be a material reduction from double the way fare and will be limited going, to one day from date of sale and returning, to thirty days from date of sale and will be good for continuous passage only in each direction. Agents first will be supplied with round trip fares between stations on the division and these will be followed by inter-division fares, thereby enabling them in a short time to sell round trip tickets between all stations.

Information concerning these rates may be secured from all ticket agents and as soon as the tariffs can be printed they will be posted in stations for inspection by the public. 1t.

Early Closing.

We the undersigned jewelers of Bloomsburg, Pa., agree to close our respective jewelry stores at seven o'clock, p. m., except Saturday evening open until 9 o'clock, beginning May 1st, 1900.

James Whitcomb Riley and His Poems.

To so intelligent a community as is Bloomsburg no one need comment upon the popularity of James Whitcomb Riley, nor upon the splendid merits of his delightful poetry.

Many persons attempt to recite from Riley for the entertainment of cultured and refined audiences. Some of these do well, many fail utterly.

Dr. Lincoln Hully doesn't fail. He will give an evening with Riley next Saturday, April 21. in Normal Auditorium. The price of admission is very low. Reserved seats 15c.

PRESSING DOWN

Prices persistently, that we have reached a lowness in prices not usually noticeable. It's bringing business, too.

Black Dress Goods.

Good looking and long wearing black dress goods. Skirt lengths in new crepons, 4 yard lengths, neat figures, narrow stripes; also large figures and blister crepons. These run from $4 to $8 50 for skirt patterns. 'Tis a chance to secure something new and exquisite—different from that your neighbor wears, and the cost is no more.

Black Granite Cloth.

54 inches wide, black as a coal, and the quality is superior to anything we ever saw at the price. Yard, $1 50.

Black Camel's Hair.

Serge, 54 inches wide, elegant quality and weight. A popular dressmaker compared ours with a piece from New York, which cost $2.50, and says ours is equal to the New York $2 50 per yd goods. We sell it at $1.39.

Black Cheviot.

Serges in different widths and different qualities, 50c yard to $1 25.

Black poplins, 75c to $1 00.
Black mohairs, 59, 69, 75c, $1.
Black henriettas, 25, 39c, to $1.
Black serges, 39c to 75c.
Black figured goods, 25, 39, 45c to $1 00.

Black gloria silk and wool, 45 inches, light weight, to take the place of silk, 75c to $1 00.

Novelty Dress Goods.

In fancy weaves. Very desirable for separate waists, or to combine with other goods in making over old dresses. Per yard, 50c.

Silks.

Waist lengths of many kinds of silk, in every new color and new kind before the people this season. The variety is much larger than usual. They are 3½ yards long. Cost the same as those sold and cut from new bolts; simply come in waist lengths, all different patterns, that you may have exclusive patterns. For pattern, $2 50 to $4 37.

Taffeta Silk.

Plain, good width and fine. It is the 85c grade, but we sell it 10c per yard less—75c.

Fancy Taffeta silk, 50c to $1.
Plain colored satin, 50c.
Plain black satin, 50c to $1.19.
Plain black Taffeta, 50c to $1.
Plain black silk, 45c to $1 25.

White Silk.

For fronts, or for white silk waists. Per yard, 75c to $4 00.

Wash Silks.

29c a yard. Worth more than that to land in this country. Come quickly if you want it.

Foulard Silks.

In dress lengths—dark and light—large and small figures. These silk patterns come in 12 yard lengths, and we sell them, per 12 yards, for $6 00 and $9 00.

HOLDING UP

Of quality continually. Giving satisfaction constantly. Not being undersold at any time. That's our strength.

Colored Dress Goods.

Homespuns, 56 inches wide, in the new greys and oxfords, equal to anything sold in our town at more money. Our price, yard, 85c.

Homespuns.

In the new greys. Neat, fashionable, serviceable, and 36 ins. wide. Yard, 50c.

Poplins.

38 inches wide, in all the new shades. Very fine, nice new goods, and worth $1 00 a yard. These goods were bought before the advance and we are selling them, at per yard, 75c.

Cheviots.

In blue, grey, slate, etc. 45 inches wide, steam shrunk. Better than the regular $1 00 cheviots. Here, 90c.

Serges.

In all colors and all widths. Decidedly the most serviceable, plain, strong goods. 39c to 75c.

Plaids.

Both dark and light, for children's dresses, at prices to fit all purses. 12½c to 75c.

Plain Henriettas.

In all the standard shades. Also old rose, new purple, new blue, and other new shades. Per yard, 19, 25, 35c.

People who want to save money on the goods they buy, can save it at this store. The best proof of that fact is in the result of experience. It don't cost a cent to try it. You can save a dollar if you will.

We have a good assortment of $7.50, $10.00 and $12.00 ready made suits. We'll sell these suits 10 per cent. cheaper than you can buy suits their equal elsewhere. We mean just what we say, and will do it. Try us.

W. O. HOLMES,
President of the Town Council.

Attest:
FREEZE QUICK, Secretary

BLOOMSBURG, Pa., April 9, 1900.

We, the undersigned, auditors of the Town of Bloomsburg, do say that we met in the Council Room for the purpose of performing our duties, and that we have examined the books of the secretary and find them correct, and that the balance in the hands of the treasurer is correct.

We disapprove of members of the Council directly, or indirectly, working on the streets of the town, furnishing teams or supplies. We shall feel it our duty, hereafter, to enter protest to the payment of all such bills.

P. H. FREEZE,
WM. KRICKBAUM, Auditors.
GEO. E. WILBUR,

In signing the above report I must, however, object to the issuing of $15,000 in orders for borrowed money, because the same is contrary to law, and that said orders are invalid; and further, that it has been observed that one member of Council has a bill of $109.00, at $2.00 per day, while other members have furnished material and done work, both in a direct and indirect, and it has been ascertained that men have done work on the streets and the work has been returned as done by other parties. From the nature and condition of things it is impossible for the board of auditors, or board, to make the investigation necessary to make a full and complete report, thus leaving it to the citizens of the town to further investigate, if they deem it proper to do so.

I do this on the ground that one member of the board of auditors has no authority to employ counsel, or order a full and complete investigation to be made.

WM. KRICKBAUM, Auditor.
